

Earth Day - 2015

Rob Weary, Josiah Lapointe, Zoë Lapointe and Alana Ospina led the service during the Time for the Young and the Young at Heart at our Worship Service on Sunday, April 19, 2015.

In recognition of Earth Day which, this year, occurs on Wednesday, April 22nd, 2015, Rob Weary invited members of the congregation to sign the Lennoxville Earth Day Banner displayed by Rowan Gilpin and Uri Gorman. It was left out on a table in the Upper Hall awaiting our signatures after today's Service. Rob encouraged those of us who are Lennoxville residents to join in the "Great Lennoxville Clean-up Day" scheduled for Saturday April 25th from 10 a.m. to 12 p.m. at the Community Centre Amédée-Roy located at 10, rue Samuel-Gratham. Each spring, when that camouflage of snow melts, much unsightly waste can be found in parks and along streets reminding us that we have not been very good stewards of our environment over the winter. To remedy this all citizens are being given the opportunity to volunteer a few short hours of their time to help clean up and beautify the parks and other areas around Queen Street.

Following Rob's presentation, Zoë Lapointe and Alana Ospina led us in the singing of the hymn, "O Great Earth" with accompaniment by Josiah Lapointe on guitar and Maryse Simard on piano. The congregation enjoyed joining in on the singing of this hymn as much as it enjoyed the contribution of these young people to today's service.
