

Eric Nutbrown's 25th Anniversary

On Sunday, October 25th, we recognized Eric Nutbrown's 25th Anniversary of service to Lennoxville United Church. Eric said that his maternal grandmother, upon hearing of his engagement 25 years ago, told him proudly that "that was an honest type of job"! Eric's lovely mother, Mary was by his side when he was presented with a boutonniere before the service. After service we retired to the Lower Hall where tables had been appropriately decorated for the season and the occasion.

Two large cakes bore the inscription: "To Eric Nutbrown in sincere appreciation of your devoted service to Lennoxville United Church, from your fans". Eric made the first cut in the cakes which were then served with ice cream accompanied by tea, coffee or a fruit punch to approximately 45 members of the congregation.

Once all were served, Dale Smith, Chair of Ministry and Personnel spoke eloquently of Eric's cheerful and valued service at LUC noting that rarely, if ever, had he heard Eric complain about anything he had been asked to do but instead went about happily performing his assigned tasks. On behalf of the members of Lennoxville United Church, Dale then presented Eric with a card containing a monetary gift in appreciation of his service and in recognition of his 25 years at LUC.

Eric spoke heartfelt words of appreciation for the honour shown him and expressed his thanks for the party held in his recognition. Several pictures of this occasion were taken by Jack Noble and these will be shared with Eric. Congratulations and many thanks for all you do for all of us, Eric!
